## Legal disclaimer

Liability for contents

As a service provider, we are responsible for the contents on the ISCOME web pages. We are *not* obligated as a service provider to monitor transmitted or stored information, or to investigate circumstances that indicate illegal activity. Obligations to remove or block access to information remain unaffected. However, a relevant liability is only possible from the date of knowledge of a specific infringement. Upon notification of such violations, we will remove the content immediately.

## Liability for Links

The ISCOME website contains links to external websites over which we have no control. Therefore, we cannot accept any responsibility for their contents. The respective provider or operator is always responsible for the contents of any linked site. The linked sites were checked at the time of linking for possible violations of law. No illegal contents were found at the time of linking. A permanent control of the linked pages is unreasonable without concrete evidence of a violation. Upon notification of violations, we will remove such links immediately.

## Copyright

The content and works provided on the ISCOME webpages created by the site operators are subject to U.S. copyright law. The reproduction, modification, distribution or any kind of exploitation outside the limits of copyright require the written consent of its respective author or creator. Downloads and copies are permitted only for private, non-commercial use. As far as the content is not created by the website operator, the copyrights of third parties apply. Should you still be aware of copyright infringement, we ask for notification. Upon notification of violations, we will remove the content immediately.

## Privacy Statement

### Privacy

Use of our website is usually possible without providing personal information. The collection of any personal data (e.g., name, address or e-mail address), as far as possible, is on a voluntary basis. These data are not provided without your expressed consent.

We point out that data transmission over the Internet (e.g., communication by e-mail) imposes security vulnerabilities. A complete protection of data against unauthorized access by third parties is not possible.

The use of contact information published on this website by third parties for the transmission of unsolicited advertising and information materials is hereby expressly forbidden. The operators of this website reserve the right to take legal action in case of unsolicited advertising information, such as spam e-mails.

### Privacy statement for the use of Twitter

Functions of the Twitter service are integrated on our website. These functions are offered by Twitter Inc., Twitter, Inc. 1355 Market St, Suite 900, San Francisco, CA 94103, USA. Through the use of Twitter and the "Re-Tweet," the web pages you visit are linked to your Twitter account and made known to other users. This data is also transmitted to Twitter.

We point out that we as providers of the ISCOME sites have no knowledge of the content of the transmitted data and their use by Twitter. For more information, refer to the privacy statement of Twitter at <http://twitter.com/privacy>.

You can change the privacy settings of your Twitter account under the account settings at <http://twitter.com/account/settings>.

Access, cancellation, revocation

You have the right for free information about your stored personal data and the purpose of the data processing. You also have the right to rectify, block or delete such data. For this purpose, as well as other questions related to your personal data, you can always contact us.
